

REMARKS

Please enter the amendments made herein pursuant to 37 CFR § 1.312 to correct some clerical errors, and put the application in condition for issuance.

Applicants appreciate the Examiner calling Applicant's attorney and for documenting the claim amendments in the Supplemental Notice of Allowability / Interview Summary mailed December 2, 2004. These amendments are reflected in the claim listing as already made (e.g., marked as previously presented for claims in which no further amendments are being made herein). However, there was one additional agreed upon correction of a clerical error that is not reflected in the Supplemental Notice of Allowance - that being that claim 18 depends from claim 17. This amendment to claim 18 is presented herein, as well as one for claim 25 to change the word "claim" to "Claim" to be consistent with the other claims (as the application is being amended anyway). Also, the title is amended herein from that list in PAIR to make sure that the word "Implementation" is not misspelled in the title.

After these final clerical errors are corrected, Applicants believe the application is considered in good and proper form for allowance, and the Office is respectfully requested to issue a timely Notice of allowance in this case. If, in the opinion of the Office, a telephone conference would expedite the prosecution of the subject application, the Office is invited to call the undersigned attorney.
